HEARING:

Petition for Appointment of Conservator

COUNSEL:

TERRENCE M NAHAY

(CPE)...RICHARD S COLLINS

FLORENCE NAHAY

(CEP)...

WALTER NAHAY

(PET) ... KYLE E WOOLDRIDGE

Continued from 4-25-03 and 6-27-03. Nothing new filed. All other notes are from previous hearing. Terrence Nahay has filed an inventory and appraisal along with bank statements. See confidential envelope. The inventory and appraisal indicates that this is a final inventory and appraisal and that the assets are \$629,093.14. Assuming this is correct, we still do not know what the annual income for the estate would be, hence, the recommended bond amount still does not appear unreasonable.

Petition for conservatorship of the person and the estate, filed by Terrence Nahay.

1. Temporary letters issued 1-21-03.
2. Court Investigator report is in file.
3. File return of citation.
4. Medical and dementia powers are sought. Capacity declaration filed. Supports medical powers, but not dementia powers. Doctor has also filed a separate declaration concerning dangers associated with moving the Conservatee to a colder climate.
5. Dementia powers are sought. Court has appointed Attorney Lewis to represent Conservatee.
6. Bond needs to be set in the amount of \$664,000. Court ordered inventory and appraisal to be filed within 7 days of 1-21-03. Inventory and appraisal filed 5-2-03.

Petition for conservatorship of the person and the estate. This petition is filed by Walter Nahay.

1. Exparte orders were denied in favor of a competing petition.
2. Medical and dementia powers are sought. File a capacity declaration. **See capacity information in preceding petition notes.**
3. Dementia powers are sought. Court has appointed Attorney Lewis.
4. Petitioner wants to move Conservatee to Washington State.
5. Court Investigator report in file.
6. Set bond in the amount of \$664,000 if petition granted.

If either petition is granted set hearing for filing of inventory and appraisal for 2-27-04. (Unless court deems inventory and appraisal filed to be sufficient.) Set hearing for accounting review for 10-8-04. Accounting to be filed 30 days in advance.

NOTE UNAVAILABILITY OF COUNSEL PER DECLARATION OF ATTORNEY LEWIS PRIOR TO SETTING

HEARING:

Hearing re: PETITION TO DETERMINE SUCCESSION TO REAL PROP

COUNSEL:

DENNIS HERD

(PET) ... KEITH S KNOCHEL

CLARA M WHITE

(DEC)...

Petitioner has filed the exact same petition as he filed originally and has labeled it "amended". It does not appear that anything has been amended and none of the facts have been changed by the alleged amendment. Since the last hearing the petitioner has filed declarations by 2 of the siblings that would clear up the problem below. We still need a declaration from Kelly Herd or the joinder of Kelly's issue as petitioners, or this matter cannot proceed as a petition to determine succession.

1. Petitioner has filed disclaimers by 3 of his siblings. The property is to be distributed by intestate succession. As the decedent left no spouse the property would go to her issue. Issue means all lineal descendants of all generations, with the relationship of parent and child of each generation. Hence, unless petitioner really meant that the property should be assigned and files the appropriate documents the court will need to know whom the children of the disclaiming siblings are. Those children of the disclaiming siblings would now be in line to inherit an interest in this property. As such the children must be petitioners here, as all persons who have an interest in the property must be petitioners.

CASE NAME: ESTATE OF CLARA M WHITE

HEARING:

Hearing Re: MOTION TO APPROVE PETITION

COUNSEL:

DENNIS HERD

(PET) ... KEITH S KNOCH

CLARA M WHITE

(DEC)...

Continued from 4-4-03, 4-18-03 and 6-20-03. Nothing new filed.

Counsel for petitioner, in the petition to determine succession, has filed a subsequent petition asking that the first petition be granted despite potential defect. It is the position of the petitioner that renunciation isn't allowed and therefore the use of the term renunciation should be deemed void. This position is based on a 1951 case. The case was decided prior to the enactment of Pr.C. § 260 et seq. That section indicates that it is possible for an intestate beneficiary to disclaim (or renounce) his/her interest in assets of an estate. It would therefore appear that the argument presented by counsel is without merit.

Counsel indicates that the heirs, other than the petitioner, really meant assignment rather than renunciation. The problem with this theory is that the persons who have signed the documents have not filed anything with the court that would allow the court to come to the conclusion that they merely misspoke themselves and meant that they were assigning their interests. If the court views the documents as disclaimers or renunciations then the interests at stake are no longer those of the persons who signed the documents, but rather their heirs. Hence, in the absence of something from the persons who signed those documents indicating that they merely misspoke themselves the petition to determine succession would have to be denied unless the additional heirs, that is the heirs of the persons who have filed renunciations, became petitioners.

Court should deny the motion.
